

C7 SCS R 3.0 Simulation Known Limitations as of 19.10.2022

No.	Area	Subject	Comment	Availability	Closing Date
1	C7 SCS	CE860 - Update of RRM for future C7 SCS -	Today, for X-border transaction where SCS uses its settlement account in SIS and the customer is using its account at CBF for FOP and Buy transactions there is no delivery instruction generated for the PoA leg in CBF. Hence, the optional field dlVRef is not populated.	N/A	N/A
