Eurex Exchange's T7 release 6.0 readiness news

Dear Eurex participant,

Welcome to the first edition of our new readiness newsletter for T7 release 6.0, which will serve as a regular information channel to help all participants and intermediaries get ready for the go-live on Monday, 4 December 2017.

As part of our support offering and to guarantee adequate preparation and a successful launch, we will frequently inform the Central Coordinator, Regulatory Coordinators and Release Contact about new publications and services and provide hints and tips for a successful go-live.

To make your life easier, Eurex launched a special website for T7 release 6.0. This website provides you with all relevant information for the Eurex T7 release 6.0, we will publish all relevant documents like system documentation, circulars, readiness updates, checklists, timelines in regards to T7 release 6.0.

Eurex recently hosted successfully the Eurex roadmap series 2017 in some of Europe's relevant financial centres. The slides that were presented are now available on the T7 release 6.0 website.

Recommendations

- Align with your ISV regarding your required features and timelines.
- Setup responsibilities and processes for the provision of the required IDs (who is in charge to upload IDs, who is in charge to monitor missing IDs that need to be uploaded).
- Request required IDs from your clients (LEIs and/or national IDs).

- If you have not yet registered a release contact or regulatory coordinator in the Member Section, we kindly ask you to do so.

If you have any further questions or comments please do not hesitate to contact your Key Account Manager or send an e-mail to customer.readiness@deutsche-boerse.com.

Kind regards
Your Customer Readiness Team
